WHY YELLOW LENZ

JESSICA YOUNG LEAD PHOTOGRAPHER & OWNER

I truly believe that a photoshoot is an experience. It is something that is planned and something you can look forward to.

A session with Yellow Lenz is a really fun family outing! I want you and your family to be relaxed and just have fun.

I know kids can be shy sometimes, but, one of the first things I do is befriend your little one(s). I personally find if you become friends with the kiddies the shoot is so much smoother and the whole process is just more flowy and fun.

I will often let your kids look at the pictures as we go along and maybe even let them take a photo or two! This makes them have more fun.

I am looking forward to hearing from you!

MEET JESS

Owner & Lead photographer

Hi there! my name is Jessica.

I am your photographer.

My style and how I shoot is very light and airy. I take a more relaxed and laid back approach to any session.

We will start by setting up a little meeting about a week before the shoot. This meeting can be in person, over FaceTime or a call. We will chat about the theme of the shoot and what you and your family should wear. This is a very calming step as you (and your kids, if you would like) get to meet me and talk through how your shoot will go. I want your family session to be fun, not stressful!

On the day of the shoot we will meet at the location. In the beginning of the shoot we will keep it simple, this helps because I can teach you some subtle poses and you can loosen up. From there is where the magic happens.

lets book a meeting and get chatting!

cheers for now!

Jessie

Carla Jacobs

Jessi did an amazing family photo shoot with my family this weekend. She got some great shots and it seemed effortless on her part. She seems to have a keen eye. She was great with both my 3 year old daughter Amelia and baby Adam. Even allowing Amelia to scroll through some of the pictures after taking them. She loved it!

Odile Finotti

Jessi is absolutely lovely. She is punctual and professional and made my daughter feel comfortable and at ease during her shoot. Jessi, you are an extremely talented young photographer and the final images are absolutely beautiful. Allegra loved working with you
